AUTOMOTIVE CARE

FULL CARBON

OKTAGON:

Usare una attrezzatura professionale per la manutenzione impianti A/C non è mai stato così semplice e intuitivo! Le dimensioni accuratamente selezionate dello schermo touch screen ne assicurano un utilizzo veloce e diretto, dove i menu a icone grafiche trovano spazio all'interno dei suoi 7 pollici. Questa soluzione rende la macchina targata ISC, unica nel suo genere. Completamente automatica nelle versioni TOP e SUPRA, viene proposta anche in configurazione LIGHT dove pur mantenendo la sua natura innovativa vanta un posizionamento sul mercato assolutamente concorrenziale. Anche se equipaggiata con l'allestimento FULL OTIONAL risulta compatta ed estremamente maneggevole.

Using professional equipment has never been so simple and intuitive! The carefully selected dimensions of the touch screen ensure fast and direct use, where the graphic icon menus find space within its 7 inches.

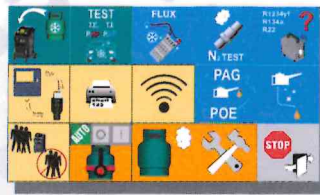

This solution makes the ISC-branded machine unique in its kind. Fully automatic in the TOP and SUPRA versions, it is also offered in the LIGHT configuration where, while maintaining its innovative nature, it boasts an absolutely competitive market positioning. Even if equipped with the FULL OPTIONAL set-up, it is compact and extremely easy to handle.
